

## Beverage Solutions

Whether it is for dairy blends or fresh juice in small bottles for individual consumption, or larger sizes for family sharing, we have it covered. Even solutions for traditional sorghum beer with vented caps that allow fermentation gases to escape without damaging the bottle.

The **DairyCan** range is ergonomically designed with a comfortable handle for easy pouring and carrying, and fits snugly in the fridge. The **BrewCan** is specifically designed for sorghum beer.

The **DairySquare** range provides optimal packing efficiency due to the shape.

The **DairyRound** range offers tantalising decoration with realistic graphics on shrink sleeve as an option.
