

## Preform Range

Depend on us for reliable supply of high quality preforms from our internationally accredited plants with high volume capacity. Our extensive distribution network across Southern Africa ensures service excellence.

### Colours:

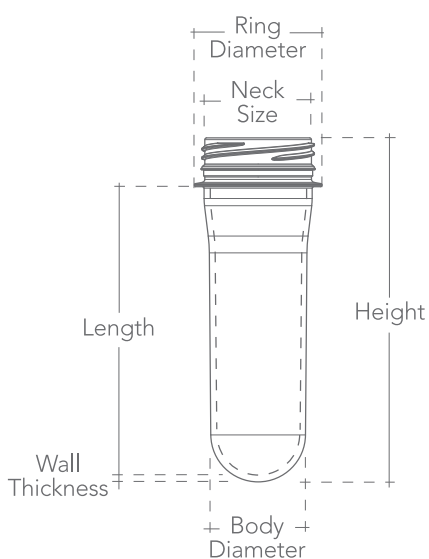

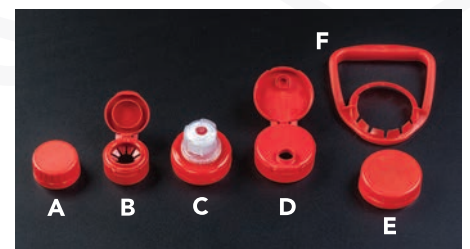

We offer various colour options subject to minimum quantities. We recommend clear PET to maximise recyclability.

### Specialist Properties:

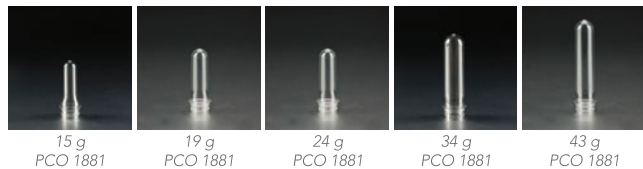

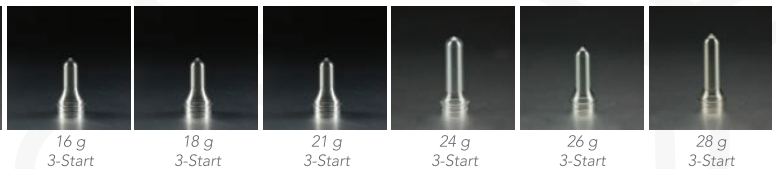

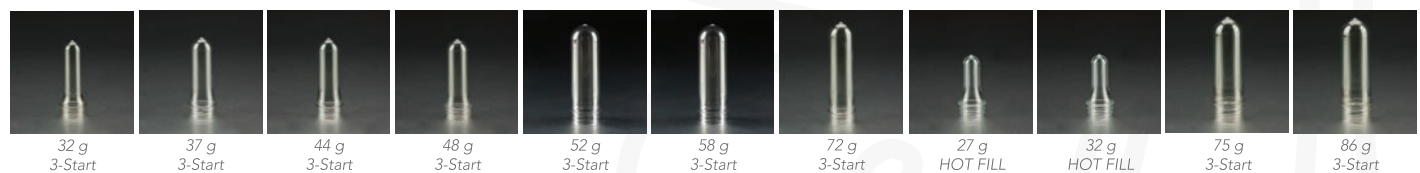

- Inclusion of barrier properties such as Oxygen Scavengers and UV Resistance available on request subject to minimum quantities.
- Generic range of Hot Fill PET bottles available.

### Closures available in various colours:

- A** 28 mm 1881 Grip
- B** 28 mm Fliptop
- C** 38 mm Twinseal Sports Cap
- D** 38 mm Fliptop
- E** 38 mm PET Cap
- F** 38 mm PET Handle
