Fresh Milk Solutions

Whether it is for full cream, low fat or fat free milk; or lactose-free options such as goat or soya milk, we understand that freshness is important to your consumers. Our milk solutions are robust and cost effective with light blocking properties for guaranteed freshness.
Our bottles re-close securely to prevent odour tainting or leaking in the fridge. The tamper evident band is your quality assurance. As milk is such a versatile ingredient, our packaging covers small and large size packs.

The DairyCan range is ergonomically designed with a comfortable handle for easy pouring and carrying, and fits snugly in the fridge.

The DairySquare range provides optimal packing efficiency due to the shape.

The DairyRound range offers tantalising decoration with realistic graphics on shrink sleeve as an option.

Key Benefits:

- Robust and cost effective HDPE
- Light blocking properties
- No leakages
- Tamper evident
- Safe to freeze
- EU Food Safety Compliant
