Dairypack Tubs

Spreads Solutions

Whether it is for chilled spreads such as butter, margarine, cream cheese and sandwich fillers, or for ambient nut-based spreads, honey or jam, we have a packaging solution to impress in store and at home on the table.
Our packaging is ideal for spreads with the ability to hot fill. Our tantalising decoration options include high quality offset print and photo-quality in-mould labelling (IML). We offer mono-material packs, making recycling simpler. Our packs are durable, lightweight and nest for easy transportation. Choose from our generic range or let our design experts create something unique for your brand.
